Deb -

I learned late last week that the DRAs may be having a discussion this week about a proposal to use 3 OECA

FTE

Deliberative Process / Ex. 5

If you have any questions or would like to discuss this prior to your DRA call, please let me know.

Thanks,
Suzanne

Subject: TSCA Compliance Center for Schools

Colleagues,

As you know, one of the recommendations from the SANE committee was to set up a Schools Center of Excellence, better named TSCA Compliance Center for Schools. The concept is for us to set up a Center with 3 FTE "off the top" (which functionally means everybody chips in a little). The roles and responsibilities of the Center are generally set forth in the attached document, which we discussed on the last ED/RC call.

We are looking for a region to volunteer to be the TSCA Compliance Center for Schools. We plan to discuss the SANE recommendations more in depth at the SEMM in March, but if your region is interested in gaining 3 FTE and becoming the Center, please let me know. If a region does not volunteer, it is likely that the FTE will be allocated to HQ and the center set up there.

If you have any questions about this, I'd be happy to discuss. Thank you!
